

## ***CATCH A TALE OF THE WHALE!***

**Celebrate the almost end of summer. Let's go whale watching, Center Church! Imagine being within feet of some of God's most graceful, rare mammals in the world. Departing from Plymouth Harbor, our whale watching excursion gives us the opportunity to experience sights that we will never forget.**

**We'll travel together in a comfortable Post Road Stages 55-seat coach to Plymouth, Massachusetts. We will then board a 125-passenger boat, which is part of Cap't John's experienced whale watch fleet. The vessel has two open decks, a climate-controlled main cabin and galley service (or bring your own edibles.) Informed, experienced naturalists will be on board to provide commentary and to answer questions.**
